Yamaha knows engines (duh!), so it only makes sense that the company would make sure that any boat that bears its name is going to have the cr?me de la cr?me of power packages. That's exactly the case with the SX230, which is powered by two Yamaha MR-1 engines. The MR-1 engines are compact, ultra-lightweight and liquid-cooled, for peak performance.

Now this "wear sleeve", Yamaha calls it "collar", I can find on Boats.net on 2006 and later models. However on Yamaha's site not until 2008 model years. I am assuming Boats.net is incorrect. Whatever parts are ordered you must always ensure you use your model#, or even better, PID to get the right part. Especially in those 2006 and up model years.
