

## Abc Ict Card Deck Best

**Abc Ict Card Deck Best**  
"The ABC card exercise was a lot of fun, and put people immediately to work, brainstorming on the worst practices and their consequences, aided by the easily recognizable cartoons. It was interesting to see how people from different backgrounds could quickly interact and agree on how the situations apply to daily life and how they need to be ...

This card game is a valuable instrument for training and consulting companies like service Management art. Because it is easier to point out worse practices. I use some of the cards in training or consulting sessions. The moment I see the behavior I take out the card and put it on the table, so we can have a discussion around it.

The ABC OF ICT card set is an awareness and assessment instrument used to address the attitude, behaviour and cultural aspects of an ITSM improvement initiative. This paper shows how organizations and practitioners can use the cards to identify what types of resistance may be expected from stakeholders when considering an ITSM improvement and to discuss resistance with teams and managers to address resistance.

After making multiple ABC-Dragon Buster decks, this is the best one I have made. It works very well. I have beat most of the meta decks multiple times using this deck. The goal of this deck is simple, just get out ABC-Dragon Buster and banish your opponents cards and beat them down with this massive 3000 attack beater!
