### Colorado Adoption | Adoption Agency | Adoption Options

New York does not have restrictions on the genders of the adopting parents, and same sex adoption is an option for singles and spouses. Minors may also adopt, under a few circumstances. Minors that are married have the capacity to adopt, because marriage usually emancipates the minor, and gives them many of the rights any other adult would have.

### New York Adoption Laws - FindLaw

Families adopting children from other states with special needs may be eligible for reimbursement of limited, nonrecurring adoption-related costs through the child's state or federal options. Agency contact and orientation information. In New York State, there are more than 130 adoption agencies.

### New York Foster Care and Adoption - AdoptUSKids

When considering an adoption case, the court is permitted to make inquiries into relationship between the parties. If the court is satisfied the adoption is consensual and in the best interests of the adoptee, the judge finalizes the adoption. The adoptee is issued a new birth certificate and a name change if desired. Read More: Divorce & Adoption
