## **Africa Development Challenges New Millennium**

African Development Challenges in the New Millennium is the first major attempt by African scholars and policy makers to evaluate the meaning of NEPAD in concrete terms. The authors raise key questions about NEPAD's ability to integrate Africa with the global economy, to overcome the challenge of poverty, and to bring about regional development.

In addition, such programmes could not be conceived without an accurate diagnosis of Africa's challenges, and its prospects to overcome such challenges. The book, entitled Africa in the New Millennium: Challenges and Prospects, edited by Eddy Maloka and Elizabeth le Roux, has set itself the task of contributing to this ongoing discourse about Africa. It identifies the socio-economic and political ills in Africa and also proposes possible ways of dealing with such challenges.
