After the Cold War, non-state actors such as Al Qaeda and Hamas, became a new source of security threat because of their ability to operate internationally but at the same time to exist inside the state (Shaw, 2005). After the Cold War explores these continuities and discontinuities in five areas: trade, international public finance, and international political economy, international security research, this timely volume offers a remarkably lucid description and interpretation of our changing world order.

Cold War - Wikipedia
The Cold War began after the surrender of Nazi Germany in 1945, when the uneasy alliance between the United States and Great Britain on the one hand and the Soviet Union on the other started to fall apart. The Cold War was a period of geopolitical tension between the Soviet Union with its satellite states (the Eastern Bloc), and the United States and its allies (the Western Bloc) following World War II. The historiography of the conflict began between 1946 (the year U.S. diplomat George F. Kennan's "Long Telegram" from Moscow cemented a U.S. foreign policy of containment of Soviet expansionism) and 1991 (the year the Soviet Union collapsed).

Changes in International Politics after Cold War
The Cold War and After, Marc Trachtenberg, a leading historian of international relations, explores how historical events and current developments have shaped contemporary international politics. The essays in this book deal with specific problems — with such matters as nuclear strategy and U.S.-European relations.

Structural Realism after the Cold War
According to Jackson and Srensen (2007), after the Cold War, there were efforts to extend North Atlantic Treaty Organization (NATO) to Eastern Europe as a way to establish the relation with them in terms of trade. It appears as if international relations or democracy has evolved even time from a time of war to periods of relative peace.

Cold War and International Relations - EssaysWriters.com
The end of the Cold War presents an unusual opportunity to test these claims. That event was of such importance that no approach to the study of international relations claiming both foresight and competence should have failed to see it coming. The Cold War and International Relations critically examines evidence on the effectiveness of a dozen approaches to managing or resolving conflict in the world to develop insights for conflict resolution practitioners.

Back to the Future: Instability in Europe after the Cold War
In the book "Back to the Future: Instability in Europe after the Cold War," the authors, Marc W. Fenwick and Hodgeina, explore the post-Cold War era and the supposed end of history. They argue that the Soviet Union’s collapse, the end of the Cold War, and the fall of the Berlin Wall have resulted in a new era of international relations.

Competitive Authoritarianism: Hybrid Regimes after the Cold War (Problems of International Politics) - Kindle edition by Steven Levitsky, Lucan A. Way. Download it once and read it on your Kindle device, PC, phones or tablets. Use features like bookmarks, note taking and highlighting while reading Competitive Authoritarianism: Hybrid Regimes after the Cold War (Problems of International Politics).

After The Cold War International Institutions And State Strategies In Europe 1989 1991 Center For International Affairs Series
After the Cold War, the period after the end of the Cold War. Because the Cold War was not an active war but rather a period of geopolitical tensions punctuated by proxy wars, there is disagreement on the official ending of this conflict and subsequent existence of the post-Cold War era. Some scholars claim the Cold War ended when the world's first treaty on nuclear disarmament was signed in 1977, the end of the Soviet Union as a superpower and the dissolution of NATO in 1991.

International Conflict Resolution After the Cold War | The WritePass Journal
International Conflict Resolution After the Cold War critically examines evidence on the effectiveness of a dozen approaches to managing or resolving conflict in the world to develop insights for conflict resolution practitioners.
