Amazon.com: Customer reviews: American Girl: Breakfast and ...

What's So Special About American Girl? I've known for a long time that American Girl is pretty special. I can't help but get a little excited to look at the new catalogs myself when they come, and yes, I do like to be invited to play with Cadence's collection from time to time! I think one of the things that sets this company apart is their attention to detail.
