Ann Arnett Ferguson's book "Bad Boys" discusses the way educators and other people in the school systems, and society as a whole view black youth in today's world. There are many stereotypes that are discussed and stigmas that stick with black children through their entire lives in Ferguson's book.

Ann Arnett Ferguson says, “they are not seen as childlike but adultified; as black males they are denied the masculine dispensation constituting white males as being “naturally naughty” and are discerned as willfully bad” (page 80). These African American boys are thought of being two things, either a criminal or an endangered species.
