Anthony Robbins - Nightingale Conant
Once you do, it will create lasting change both in your life and in those around you. At its core, leadership is about influence and learning how to affect people in a positive way. It's purpose-driven, and true leaders commit themselves to the bigger picture and finding their purpose. But leadership doesn't come in just one form.

Leadership & Impact – Tony Robbins
To make the change lasting for the long term, you must create the environment that supports your change. Tony goes through different things you can do such as removing any temptation in your household for example. If you're struggling with junk food, get it out the house and don't buy it to be tempted again.

Anthony Robbins - Creating Lasting Change
Change - general rules. Anthony Robbins says Change often happens when we least expect it. Example, a tragedy strikes, and then we quickly change. And it happens more easily when we're in a trance. To put someone in a trance you can actually talk about YOUR experience and (if you do it well) they'll follow you in a trance.
