Abstract. The 2 nd edition of Manual 70 prepared by the ASCE Task Committee on Evapotranspiration (ET) in Irrigation and Hydrology and edited by Marvin E. Jensen and Richard G. Allen has been released in 2015 by the American Society of Civil Engineers (ASCE) after years of work by the editors and six member task committee. The second edition is a significantly expanded version of the first ...

ASCE Manuals and Reports on Engineering Practice (Manuals of Practice, or MOPs) present in-depth technical information on a specific topic and provide detailed analysis of the limitations and applications of the described methods and technologies. The practical information contained in MOPs is useful to the typical civil engineer in everyday work.
