We receive 6% of founder shares in return for participation in Blueprint Health. As an entrepreneur, you must ask yourself if joining Blueprint Health is worth the equity. If you think your company is worth \$3M to \$5M (a typical seed round valuations), you have to believe that we can add \$100K to \$200k of value to your company.

5 ways second hand smoke harms your child’s health - Blueprint

Cleaning your ears. Clean your ears with extra care. Wipe the outer ear with a washcloth or tissue. Do not put anything into your ear smaller than your elbow. Do not use Q-tips, bobby pins or sharp pointed objects to clean your ears. These objects may injure the ear canal or eardrum. Earwax is the ear's mechanism for self cleaning.

Blueprints for Healthy Youth Development - Committed to ...

However, the conversation has since moved away from just your own health, and how second hand smoke affects others—namely children. A child’s lungs are still in development and don’t have the same capacity to handle impurities in the air like an adult’s do, so it’s especially important to avoid smoking around them.

myBLUEPRINT4HEALTH
