Civil Society: Challenging Western Models - Google Books
Civil Society argues that civil society should not be studied as a separate, 'private' realm clearly separated in opposition to the state; nor should it be confined to the institutions of the 'voluntary' or 'non-governmental' sector. A broader understanding of civil society involves the investigation of everyday social practices, often elusive ...

Civil Society Fellowship: A Partnership of ADL and the ...
The structure of political and economic institutions appropriate to the transition from post-Communism in the Soviet bloc to genuine civil society was, accordingly, modeled on Western exemplars—the example of Anglo-American democratic capitalism, of Swedish social democracy, or of the German social market economy— or on various modish ...

From Post-Communism to Civil Society: The Reemergence of ...
By Brian Pratt.. In no particular order, here are eight challenges for civil society for you to think about. 1) The reversal of 20 years of increased funding for development NGOs from official donors. There will be exceptions, but the trends in some of the previously most generous official donors such as the Dutch, plus the withdrawal from many countries that previously received aid, shows a ...

Civil Society | Challenging Western Models | Taylor ...
A liberal-individualist model of civil society has become fashionable in recent years, but what can such a term mean in the late twentieth century? Between kinship ties on the one hand and the state on the other, human beings experience a diversity of social relationships and groupings which in modern western thought have come to be gathered under the label 'civil society'.
