arise. It is common for construction contracts to require binding arbitration rather than litigation in a court if there is a dispute. If the contract requires arbitration, you may not sue the contractor.

How to Make A Self-Contract For Your Personal Goals ...

When you're working as a self-employed paid carer, or in the process of setting up your own business, one area that you need to consider is having a contract that you can use with your clients. This is an essential piece of paperwork and should be customised to suit each client's needs, with both parties agreeing to terms and conditions.
