Defeating Authoritarian Leaders In Postcommunist

Among other striking achievements, Defeating Authoritarian Leaders in Postcommunist Countries sets a new standard in research on the diffusion of democracy. Much recent literature on democratization has suggested diffusion effects, but few previous scholars had undertaken the challenging on-the-ground research to show that diffusion was taking place and to disentangle the mechanisms behind it."

Defeating Authoritarian Leaders in Postcommunist Countries From 1998 to 2005, six elections took place in postcommunist Europe and Eurasia that had the surprising outcome of empowering the opposition and defeating author-itarian incumbents or their designated successors. Valerie J. Bunce and Sharon L.

Defeating Authoritarian Leaders in Postcommunist Countries

Among other striking achievements, Defeating Authoritarian Leaders in Postcommunist Countries sets a new standard in research on the diffusion of democracy. Much recent literature on democratization has suggested diffusion effects, but few previous scholars had undertaken the challenging on-the-ground research to show that diffusion was taking place and to disentangle the mechanisms behind it."

Defeating Authoritarian Leaders in Postcommunist Countries ...

Why would authoritarian leaders lose elections? Bunce and Wolchik answer this question by analyzing a remarkable run of electoral victories by the opposition in postcommunist Europe from 1998 to 2005. They conclude that these upset elections occurred because of the work of a transnational network committed to electoral change.

Defeating Authoritarian Leaders In Postcommunist Countries ...

We test whether elections have functioned as a mechanism of change or of neo-authoritarian stability in the postcommunist world. We generally find that elections neither promote democracy nor strengthen authoritarianism. However, we do find that in energy-rich states elections promote authoritarianism, though of a somewhat more benign sort ...
