I've done the practice test and studied it very well as well as caught up on some reading from study material for written exams. ... (Mechanical portion of the test). And answer the HR questions honestly, the math ...

~~Fireteam exam tips— Firehouse Forums— Firefighting ...~~

The fire team test is not the best way to rank a candidate! That I completely agree with. There are so many things that factor in but what I come to realize about getting a job as a FF, is that you can't just go through FIRE/EMS school and expect to get a job. It's something that you must seriously pursue on an everyday basis.
