Format: Kindle Edition Verified Purchase This was a really great story (I'd give it 4 1/2 stars). I've read Suzanne's two books from the Phoenix Pack series and this is story is different from those 2 in the fact that there's no paranormal stuff in this story.

From Rags cost me £1, and I can say unequivocally that it was the best value for money ever. This book, which I only realised when I got to the end, was self-published (and yes there were a few typos which an editor might have picked up) but I read a lot of books; my iPad is packed with books that I've paid a hell of a lot of more money for and haven't enjoyed half as much..
