~~IJERT—International Journal of Engineering Research—~~

~~Engineering Journal IJOER is an open access international journal for Paper Publication and also provide articles of international Engineering and Science research. Engineering Journal IJOER helps Students and research scholars to grow their skills and ability to write technical articles in Engineering.~~

~~International Journal Of Engineering Research~~

~~International Journal of Engineering Research (IJER) is an open access journal intended to bring together the information in different areas of Engineering around the world. Aim & Scope : The aim of this journal is to combine theory and practice in different areas of Engineering.~~

~~Homepage | International Journal of Engineering and—~~

~~International Journal of Structural and Civil Engineering Research is a scholarly peer-reviewed international scientific journal published quarterly, focusing on theories, systems, methods, algorithms and applications in Structural and Civil Engineering Research.~~

~~IJSCER~~

~~About Us: International Journal of Research in Engineering and Science is an open access peer-reviewed international forum for scientists involved in research to publish quality and refereed papers. Papers reporting original research or experimentally proved review work are welcome.~~

~~IJSER—Online International Journal, Peer Reviewed—~~

~~International Journal of Engineering Research and Applications (IJERA) is a team of researchers not publication services or private publications running the journals for monetary benefits, we are association of scientist and academia who focus only on supporting authors who want to publish their work.~~

~~IJERA—International Journal of Engineering Research and—~~

~~International Journal of Engineering Research and Technology (IJERT) Areas includes (but not limi ted to) En gineering Mechanics, Construction Materials, Surveying, Fluid Mechanics & Hydraulics, Modeling & Simu lations, Th ermodynamics, Man ufa cturing Technologies, Refrigeration & Air-conditioning, Metallurgy, Automatic Control Systems,...~~

~~International Journal of Engineering Research and Technology~~

~~The International Journal of Engineering Science is not limited to a specific aspect of science and engineering but is instead devoted to a wide range of subfields in the engineering sciences. While it encourages a broad spectrum of contribution in the engineering sciences, its core interest lies in issues concerning material modeling and response.~~

~~International Journal of Engineering Research and Science—~~

~~International Journal of Engineering Research and Development is an international premier peer reviewed open access engineering and technology journal promoting the discovery, innovation, advancement and dissemination of basic and transitional knowledge in engineering, technology and related disciplines.~~

~~International Journal of Engineering Technologies— IJETMR~~

~~The International Journal of Scientific & Engineering Research is a one-stop, open access source for a large number of high quality and peer reviewed journals in all the fields of science, engineering and technology.~~

~~Welcome to International Journal of Engineering Research—~~

~~International Journal of Engineering Research and General Science (ISSN 2091 - 2730), Impact factor 3.843 (Scientific Journal impact factor) and 5.18 ICV Value is an open access peer review publication which is established for publishing the latest trends in engineering.~~

~~UGC Approved Journal—IJERA.com~~

~~International Journal of Computational Engineering Research(IJCER) is an intentional online Journal in English monthly publishing journal. This Journal publish original research work that contributes significantly to further the scientific knowledge in engineering and Technology.~~

~~UGC Approved Journal—IJCER~~

~~International Journal of Scientific Engineering and Research (IJSER) have the group of researchers and academicians who are committed to assist study and enhance aptitude by giving an aid for composing high caliber research papers through associate evaluation.~~

~~International Journal Of Engineering Research and General—~~

~~International Journal of Engineering Research and Applications (IJERA) is an International, peer reviewed, open access Engineering and Science Journal promoting the discovery, innovation, advancement and dissemination of basic and transitional knowledge in engineering, science and related disciplines.~~

~~IJERT, International Journal of Engineering Research and—~~

~~International Journal of Engineering Research and Technology. SJR is a measure of scientific influence of journals that accounts for both the number of citations received by a journal and the importance or prestige of the journals where such citations come from It measures the scientific influence of the average article in a journal,...~~

~~International Journal of Engineering Science—Elsevier~~

~~International Journal of Engineering Research in Africa. This volume contains articles describing the results of engineering research and technical solutions in the fields of the applied mechanics, research of materials and processing technologies in the mechanical engineering, construction materials, optimization of reactive power dispatch,...~~

~~International Journal of Engineering Research—Home~~

~~International Journal of Engineering Research & Technology is a peer-reviewed, open access and multidisciplinary engineering and science journal that publishes original research & review articles of all major branches of Engineering, Science and Technology.~~

~~International Journal of Engineering Research in Africa~~

~~International Journal of Engineering Technologies and Management Research(IJETMR) publishes articles that emphasizes research, development and application within the fields of engineering, science and technology. All manuscripts are pre-reviewed by the editor, and if appropriate, sent for blind peer review.~~

~~International Journal of Scientific Engineering and—~~

~~International Journal of Engineering and Advanced Technology (IJEAT) is having ISSN 2249-8958 (online), bi-monthly international journal, being published in the months of February, April, June, August, October and December by Blue Eyes Intelligence Engineering & Sciences Publication (BEIESP) Bhopal (M.P.), India since year 2011 and processed papers will be forwarded for inclusion in the SCOPUS database.~~
