The creator of the first modern abstract paintings, Wassily Kandinsky was an influential Russian painter and art theorist. In his youth, he studied law and economics at the University of Moscow, and was later hired as a professor of Roman law at the University of Dorpat in Estonia.

Wassily Kandinsky - 223 paintings - WikiArt.org
The style of his works of the early period can be called neither conditional nor pretentious but in them nothing portended a radical renovation of painting. However, only few artists are known to have luck to show simultaneously originality in form and content. At first, it was important for Kandinsky to try his own opportunities of expression.
