How is Chegg Study better than a printed Math student solution manual from the bookstore? Our interactive player makes it easy to find solutions to Math problems you're working on - just go to the chapter for your book. Hit a particularly tricky question? Bookmark it to easily review again before an exam. The best part?

Student Solutions Manual to accompany Mathematics:An ...

The book itself was in great condition but this book would benefit the student more if all problems were included (not the sellers fault) The book contains only the odd numbered problems, but the problem is that many of the problems I struggled with were the odd numbered so I was left helpless and this book rendered useless.
