the most part, and in
contrast to mainstream
Christianity, the
churches themselves
do not run
development projects.
There are however a
number of Pentecostal
NGOs, or faith-based
organisations (FBOs),
that carry out
development work

However, Nigerian

Access Free Pentecostalism And Development

Pentecostalism and Development argues that there is an emerging movement within contemporary Nigerian Pentecostalism which is becoming increasingly active in development practices. This book goes on to explore the increasingly transnational approach that churches take, often seeking to build multicultural

On the other hand,
development work
urges Pentecostal
communities to recast
their activities in the
logic of formal
organisation and
accountability (proposa

Access Free Pentecostalism And Development Is-grants-projects). On the ground, these logics are constantly subverted as beneficiaries construe

FBOs as patrons and
deploy Pentecostal
identities for mediating
access to FBOs and the
resources they
command.
