Gabriel Prosser - Wikipedia

James Sidbury does not offer a linear retelling of that unsuccessful insurrection, but provides a rich exploration of the social and cultural contexts that spurred enslaved Virginians to strike out for liberty. Not a book about Gabriel's Rebellion, Ploughshares into Swords is about Gabriel's Virginia. There, long-standing practices of resistance and accommodation and newer forms of urban labor, evangelical Christianity, and racial consciousness combined in a radical assertion of freedom.

The magistrates who first collected information from the slaves taken into custody were Gervas Storrs and Joseph Selden. Earlier in the year Storrs, a member of the Virginia Republicans' general committee, had been elected to the House of Delegates from Henrico County, to take his seat when the assembly convened in December.
