Pocket Neighborhoods: Creating Small-Scale Community in a ...  
Are pocket neighborhoods the answer to creating detached housing units that are more vibrant? In "Pocket Neighborhoods: Creating Small-Scale Community in a Large-Scale World," author and architect Ross Chapin explains how pocket neighborhoods, which are groups of homes clustered around a shared outdoor space, create a sense of place within a city.

Pocket Neighborhoods: Creating Small-Scale Community in a ...  
In a pocket neighborhood, houses with a smaller-than-normal footprint surround a shared green space. The more public areas of the homes — living room, dining room, and kitchen — face the commons, with the bedrooms situated away from public views. The design is both community-oriented and environmentally friendly.
