Poor Little Bitch Girl is the 27th novel by English novelist Jackie Collins. It was released on 4 October 2009 in the United Kingdom, and 9 February 2010 in the United States. The book stemmed from an idea that Collins was working on for a television series about heiresses entitled Poor Little Rich Girls. The series was ultimately never made and so she adapted the material for a novel.

Poor Little Bitch Girl, while not strictly a Lucky novel, is a much better effort. While the majority of the action focuses on three 25 year old women, Denver, Carolyn and Annabelle who went to high school together, Bobby Santangelo is a key figure and there are guest appearances from Brigitte, Max and of course, Lucky.

~~Santangelo novels - Wikipedia~~

I have read all 27 books and to be honest I cant wait for Goddess of Vengeance. I hope you write many more books for us to enjoy. What I think is that these last few books are more adventurous and the writing style has slightly changed for the better. When I read poor little bitch girl I couldnt put the book down all night. It was that good.
