Probably a long shot but i'm looking for the workshop manual to strip down a Volvo Penta 120SD saildrive. Does anyone have a copy i can borrow for a few days? So far i've drawn a blank with forum search, google. I'd prefer not to buy a manual for one off job - thanks David.

Most do-it-yourself sailors probably will not be willing to dive into this project, and the numbers I found online for this service topped out at about \$4,000! In my online searching, I did find one service bulletin that made recommendations on what to do to upgrade from a model SD40 or SD50 saildrive to the newest SD60 series.
