About the Author John Mason Hart is Professor of History at the University of Houston. His previous books include Revolutionary Mexico: The Coming and Process of the Mexican Revolution, Tenth Anniversary edition (California 1998).

Revolutionary Mexico: The Coming and Process of the ...

This interesting book is a structural analysis of the Mexican Revolution of 1910-1920. In Hart's analysis, the Mexican Revolution was a crisis of modernization, or perhaps more precisely, a crisis of uneven modernization. The proximate outbreak of the Revolution was widespread dissatisfaction with the regime of Porfirio Diaz that dominated Mexico for the prior 35 years.

Revolutionary Mexico: The Coming and Process of the ...

The proximate outbreak of the Revolution was widespread dissatisfaction with the regime of Porfirio Diaz that dominated Mexico for the prior 35 years. The Diaz regime pursued policies of aggressive economic modernization by opening Mexico to foreign capital investment, particularly American investment, and increasing centralization of political power.
