TECH DOCUMENTS - NST Center

one, the only, the complete Star Fleet Technical Manual with everything you'll ever want to know about day-to-day life on the Enterprise. With architectural designs of the Enterprise, headquarters, detailed drawings of the weapons and equipment, official patterns for men's and women's uniforms, maps of orbit patterns and so much more, all your practical questions will finally be answered.

Shipboard Valves

Ship side valve must be non-return type. Screw down non--return valves are used as ship side valves because it help in preventing the flooding of the vessel in-case of fracture or break with discharge submerged, they also allow isolation to prevent so.
