The NAVIGATOR can do it all, and it takes notes, too – in an operation logbook on an SD card. The NAVIGATOR 2.0 is so easy to use, just like all the system technology from the energy family: set it however you want and that's it. An end to all heating worries, providing well-being for the whole family.

~~Dipl Ing H Horstmann HHH001 Smart Navigator User Manual~~
Smart Keyframe Navigator will provide intuitive navigation control: If nothing is selected, SKN will work much like the default "k" and "j" keys, taking all keyframes into account. If one or more layers are selected, SKN will navigate the keyframes on these layers only.
