Each full-color center focuses on a skill from a Common Core State Standards math domain, such as numbers and counting, operations, geometry, and probability and statistics. The easy-to-assemble centers are stored in pocket folders, making them easy to use at ...

Take your seat - Idioms by The Free Dictionary

Rather than search for a different seat or one that we think is better, when we're walking with Christ, we can instead relax and enjoy the life we're living. All seats provide equal access to God at all times. We can know that—no matter where we are and no matter what the day brings—we are forever seated with Him.
