The AIDS Pandemic by James Chin - OverDrive (Rakuten ...

"The AIDS Pandemic" argues that the story of HIV has been distorted by UNAIDS and AIDS activists in order to support the myth of the high potential risk of HIV epidemics spreading into the general population. In the past, most policy makers and members of the public have uncritically accepted UNAIDS' high prevalence estimates...

The AIDS pandemic : the collision of epidemiology with political correctness. [James Chin] -- This groundbreaking new book blows apart the myths about who is at risk of getting AIDS and shows how these myths are driven by moral and political pressures.

H-Net Reviews

The spread of the disease also probably began a decade or more before the medical community clearly identified it in the early 1980s. And an airline employee was unfairly vilified as "Patient Zero" in the AIDS epidemic in the United States.

The AIDS Pandemic: The Collision of Epidemiology with ...

appear in a book published by Radcliffe Publishing, entitled The AIDS Pandemic: the collision of epidemiology with political correctness by James Chin. These errors deal with the process and results of the estimations of the AIDS pandemic, made with technical assistance from the UNAIDS Secretariat and WHO.

The AIDS pandemic : the collision of epidemiology with ...

Book review The AIDS Pandemic: the collision of epidemiology with political correctness James Chin Radcliffe, 2006 Paperback In 1985 the author ran a seminar modelling the problems of AIDS with African health researchers and epidemiologists in Swaziland.They jumped on him, arguing that AIDS was a western disease of homosexuals and drug addicts and not a problem in Africa.

Response AIDS pandemic book

The origin of the human immunodeficiency virus (HIV) remains a controversial and sensitive issue. The initial recognition of what is now known as Acquired Immune Deficiency Syndrome (AIDS) was reported in five young homosexual males in Los Angeles, California in June 1981.
