Department of Health. CHAPTER 5 - THE ETHICAL DEBATE page 83 often use the word "euthanasia" to refer to inappropriate decisions to withhold or to stop treatment. (22) This report uses the term "euthanasia" to refer only to active steps, such as a lethal injection, to end a patient's life. In assisted suicide,...

Attitudes among the general Austrian ... - BMC Medical Ethics

euthanasia is highly controversial within the medical community as well as ethical debates. Many claim that people form opinions on the ethicality of euthanasia based on religion alone, but that is not true. The euthanasia debate is centered on the personhood of the patient, and whether or not taking a life is within the rights of medical doctors.
