The History of Painting | Scholastic ART | Scholastic.com History painting is a genre in painting defined by its subject matter rather than artistic style. History paintings usually depict a moment in a narrative story, rather than a specific and static subject, as in a portrait. The term is derived from the wider senses of the word historia in Latin and Italian, meaning "story" or "narrative", and essentially means "story painting".

HISTORY OF PAINTING The term 'history painting' was introduced by the French Royal Academy in the seventeenth century. It was seen as the most important type (or 'genre'), of painting above portraiture, the depiction of scenes from daily life (called genre painting), landscape and still life painting. (See the glossary page for genres to find out more).
