book review: not knowing who hugh grant is: michael bracewell's the nineties: when surface was depth "Bracewell's take on the icons of the nineties is not as simple as it might seem. Of course Bracewell sees the stench of death in everything, the tacky balls-up it became, the failure of culture to resist commerce, its surface sheen blinding out ...

I've been thinking again about that period, in part for a programme that will air tomorrow night on Radio 4 – The 90s: A Holiday from History. What I have in mind is the long decade that stretched from the fall of the Berlin Wall on 9 November 1989 to the fall of the twin towers on 11 September 2001.
