Turn of the Century Victorian Bed & Breakfast

Classic Victorian architecture meets 21st Century conveniences when you reserve Tern of the Century, an oceanfront estate over 8,500 square feet of living space. Featuring expansive gathering areas, spacious bedroom suites, and gorgeous ocean views, this eight bedroom vacation retreat is designed for your comfort and entertainment.

How to Remodel a 100-Year-Old House | Home Guides | SF Gate

Just before the turn of the century, this house was built but didn't get the finishing touches it deserved... until now. The house was built in 1999, the client wanted to update the kitchen by removing the tile floors, adding hardwood floor to the entire first floor and completely update the cabinets to reflect her style and function.

Early 20th Century - Historic House Colors

Turn-of-the-Century Modern. The clients for this project were a young family with a very modern aesthetic. The trick was to take their hundred-year-old Northwest Portland house and make it feel fresh and current. We completely remodeled the kitchen, opening it to the dining room with two-sided glass cabinets.

345 Best Old Homes/Turn of the Century/Craftsman images ...

Every system would have to be replaced, while making every effort to preserve the good stuff. It would be like dragging a house into the 21st century by horse and buggy. "A house like this, with very few modifications and repairs since it was built, is quite rare," he says, adding quickly, "I thought it was wonderful."
