US Military Manual Collection : Free Texts : Free Download ...
United States Army Field Manuals are published by the United States Army's Army Publishing Directorate. As of 27 July 2007, some 542 field manuals were in use. They contain detailed information and how-tos for procedures important to soldiers serving in the field. Starting in 2010, the US Army began review and revision of all of its doctrinal publications, under the initiative "Doctrine 2015". Since then, the most important doctrine have been published in Army Doctrine Publications and Army Doct

United States War Dept/Dept of the Army Tech Manual ...
Field Manual, FM 21-6, List and index of War Department publications. Technical Manuals and other War Department and Department of the Army publications were identified in FM 21-6 List and index of publications (title varies). Of these the Library of Congress has identified the following issues in its collections, by date.

OPERATOR'S MANUAL FOR

They are manuals -- which are official US Army publications -- concerning enemy equipment or forces. The letter "E" in the manual number indicates that a particular manual is an "enemy" manual. For example, Technical Manual TM E9-803 on the German Volkswagen appears just after Technical Manual TM 9-803 on the Jeep.
