## Writing To Change The World

Writing to Change the World is divided into two sections. 1) "What We Alone Can Say" addresses why we write and how our unique experiences can give us a different perspective and voice that no one else has. This section is both inspirational and motivating. 2) "The Writing Process" gets down to the nuts and bolts.

Whether through memoir, fiction, or poetry, the story we write about ourselves, our lives, is absolutely crucial. Our stories and the way we tell them are arbiters of life's coming attractions, as Einstein once said. I believe in the healing power of words. I believe that they truly can change the world. We simply need to pick up our pens, and start writing. "And by the way, everything in life is writable about if you have the outgoing guts to do it, and the imagination to improvise.
